

Yeah, Firespring does **that.**

Creative

branding, identity, campaign development, copywriting, video and design

Strategy

research, account planning, marketing plan development analysis, HR/culture training and implementation

Media

planning, placement, trafficking, management and reporting

Public Relations

corporate communications, press releases, event planning, media training, guerrilla marketing, social media content development, media tours, media relations, crisis management and reporting

Digital

web design, software development, 2-D & 3-D animation, application development, podcasts, online games, mobile and email marketing, social media, SEO and SEM

Traditional Marketing

broadcast, photography, direct mail, specialty products, print ads, newsletters, brochures, billboards, radio and theater

Print

offset, digital, variable data, large format, signs, wraps, direct mail, business packages, promo products, custom packaging, calendars, invitations, posters and folders

Mailing

mail preparation, shipping, bulk mail handling and variable data mailing

Trade Show

modular, pop-up and tabletop displays, retractable banners and stands, workstations, signage, islands and trade show management

Marketing and print that work as hard as you do.
